

Bye-Bye Paper And Fax!

Quick Tips for Seamless Digital Ordering with ++adapthealth and Parachute Health™

Digital ordering is the way of the future and we are excited you have transitioned to this process with us!

Placing an Order

- + Have patient demographics, diagnosis, height and weight ready

Adding New Users

- + Admins click the drop down in the top right
- + Click "Manage Users"
- + Make sure to click "Send Welcome Email"

Things to Remember

Order Activity Feeds and Messages

- + Are specific to each order
- + Status messages between you and customer service are easily displayed
- + Are the main way to contact our customer service department

Email Notifications

- + Sent any time a status changes or a new message is posted to the order
- + The link in the email will take you right to your order

Our Inside Sales Team is available to answer any Parachute related question you have or coordinate additional training. A rep can even walk you through your first orders!
